New Exercise and Sports Science/Nutrition Science

From 2021, ACU will be offering the *new* double degree in ***Bachelor of Exercise and Sports Science/Bachelor of Nutrition Science***. This course is ideal for students who are passionate about fitness and creating a better life for others. The Bachelor of Exercise and Sports Science/Bachelor of Nutrition Science will uniquely equip graduates to become experts in professions related to both exercise/sport science and nutrition science. Graduates will capitalise on the synergies between the two fields of study to promote optimal health and nutrition through the lifespan.

VCE entry requirements are: Units 3 and 4 – a study score of at least 30 in English (EAL) or at least 25 in English other than EAL and a study score of at least 25 in one of Biology, Chemistry, any Mathematics, Physical Education, Physics or Psychology.

Graduates of this double degree will be eligible to apply for further study in nutrition research or in dietetics to become an accredited practising dietitian. In addition, they will be eligible to apply for further study in exercise science/sports science research and clinical exercise physiology to become an accredited exercise physiologist, or further study in high performance sport.

Charles Sturt Advantage Early Offer Program

The Charles Sturt Advantage is our way of recognising Year 12 students who demonstrate to us how you've displayed resilience, empathy and a commitment to creating a world worth living in (like your motivation to study your chosen degree) – the soft skills we know give them the edge!

Students can apply for a wide variety of undergraduate courses for 2021 via the Charles Sturt Advantage program. Applications are open and will close 31 August 2020.

STEM Hub

[Stem Hub](#) a digital platform connecting students and industry. This hub is open to all university students and graduates from any universities who have studies **science, technology, engineering, and/or mathematics**. Students who sign up get access to leading industries and potential future employers. **Current senior students planning to study in one of these fields are encouraged to browse this link and flag this platform as a valuable resource once at university.**

Australian Government

Department of Foreign Affairs and Trade

A Diplomatic Career – Making a Difference

The **Department of Foreign Affairs and Trade (DFAT)** offers university graduates with the opportunity to implement their academic and personal skills to develop and implement policies that advances Australia's interests both in Australia and overseas. DFAT has an official **graduate program** allowing university graduates the opportunity to continue to develop and expand their knowledge – from *international legal and security issues to international financial corporation, trade negotiations and public affairs*. Graduates who enter this DFAT program work in diverse and challenging environments, and often represent Australia on overseas assignments. On completion of the two-year program, graduates will have the opportunity for an ongoing position in Canberra.

Students who are keen on *studying Law, International Studies, Global Studies, Asian Studies, as well as the Sciences and Medicine, and even Counter-Terrorism*, might like to browse the following link to find out more about this program and the opportunities it offers once they have graduated with their Bachelor degree - [Department of Foreign Affairs and Trade \(DFAT\) Graduate Program](#)

REIV Careers in Real Estate

Working in the **real estate profession** offers students the opportunity to achieve high levels of personal satisfaction and career success. In general terms, estate agents *lease, manage,*

appraise, buy and sell residential, rural, commercial and industrial property or business on behalf of clients. The first step in establishing a real estate career is to become an **agent's representative**. Agent's representatives perform a variety of real estate roles under the supervision of a licensed estate agent. Students who are interested in completing a course to become a real estate agent, might like to browse the following link that addresses a number of FAQs - [Student Information](#).
