KAMBRYA COLLEGE

Dear parent/guardian,

Kambrya College is planning for another great year of teaching and learning and would like to advise you of Kambrya College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer wide-ranging academic and co-curricular programs, wider offering of subjects and special curriculum experiences.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Martin McDonald

Principal
